## **Professional Conference Papers/Presentations**

(About five per year, approximately 50 over the past decade, including regular meetings of

AHRQ, APHA, Academy Health, ASHE, Active Living Research, IHEA, and several others)

### **Extramural Grant Support/Contracts**

(Co-Investigator on over a dozen extramurally funded grants and contracts over the past decade; Principal Investigator, Co-PI or primary on four)

### **Professional Peer Review (Selected, 2003-2013)**

*Journals*--Milbank Quarterly, Occupational and Environmental Medicine, Preventive Medicine, Social Science and Medicine, JAMA, AJPH, Journal of Family and Economic Issues, Journal of Pediatrics, Annals of Family Medicine

*Academic Presses*—Oxford University, University of Michigan, University of Utah  
*Foundations/Government review and invited panels*—CDC DVT-PE Working Group, NIH Burden of Muscle Disease, Institute of Medicine, United Nations Compensation Commission, NIH Special Emphasis Review Panel

### **Invited Lectures or Forum Member**

(Over a dozen locally, a few nationally and internationally over the past decade, several broadcast)

### **Other Notable Service to Profession (current)**

Member, advisory board for: Institute for Health Care Transformation, Program in Personalized Medicine, Health Services Innovation and Research

### **TEACHING**

**Courses:** Usual Responsibilities: Health Economics at the undergraduate, Masters, and PhD levels; Capstone Course in Health Society and Policy

Notable recurrent Lectures (1<sup>st</sup> and 4<sup>th</sup> year medical students, doctoral students in public health lectures, Translational and Comparative Effectiveness Research (TCER) Fellows)

### **Supervision/Committee member to Theses (past decade)**

Undergraduate Honors: four

Masters: six (two supervisor)

PhD: thirteen (four supervisor), four outside economics department

Post-Doctoral Mentor: K Award (2), TCER fellows (1)
